

TED ALIAGA KOLEJİ

ACTIVITY NAME: DID YOU KNOW THAT....?

APPLICATION DATE: 22rd October 2016

ABOUT PROJECT:

Gerçekliğe bağlı makaleler içeren bir blog yapmak.

AIMS:

Developing various competences in language, writing, connecting, using tools and so on. Students should improve their language skills and be encouraged to read more.

WORKING PROCESS:

- 1) ICE BREAKING: making presentation of our school with a video, including an interview of the headmaster.
- 2) making international students teams: to make a logo and to choose a catching title.
- 3) writing summaries of articles linked with science, literature, culture.
and then choose the 2 most interesting articles from each category and to put them on our blog.
- 4) final task: to make a quizz (each international team proposes 5 questions) and to make a poster with a word or an idea that answers to the question " what have you learnt?"

EXPECTED RESULTS:

- 1) blog with articles
- 2) presentations by videos.
- 3) discussions on the Twinspace.
- 4) pools
- 5) poster and quizz.
- 6) logo.

PARTNER COUNTRIES FOR THE PROJECT:

- Poland
- Turkey

AGE RANGE: 15 to 18 Years
