

TED ALIAGA KOLEJİ

ACTIVITY NAME: WALK WITH US TO KNOW US

APPLICATION DATE: 1th October 2016

ABOUT PROJECT:

The idea of the project “Walk With Us To Know Us” came up with the spectacular increase in the trekking tourism in Europe during the last years. The central goal is to use ICT and Google Maps to create “digital paths” of our areas, enabling tourists to enjoy our places. We want students to make researches of their birth places, to find out the hidden treasures (architectures, monuments, nature etc) to present them to the partners and at the end to create and propose a path which could be walked in about two hours (less or more).

PARTNER COUNTRIES FOR THE PROJECT:

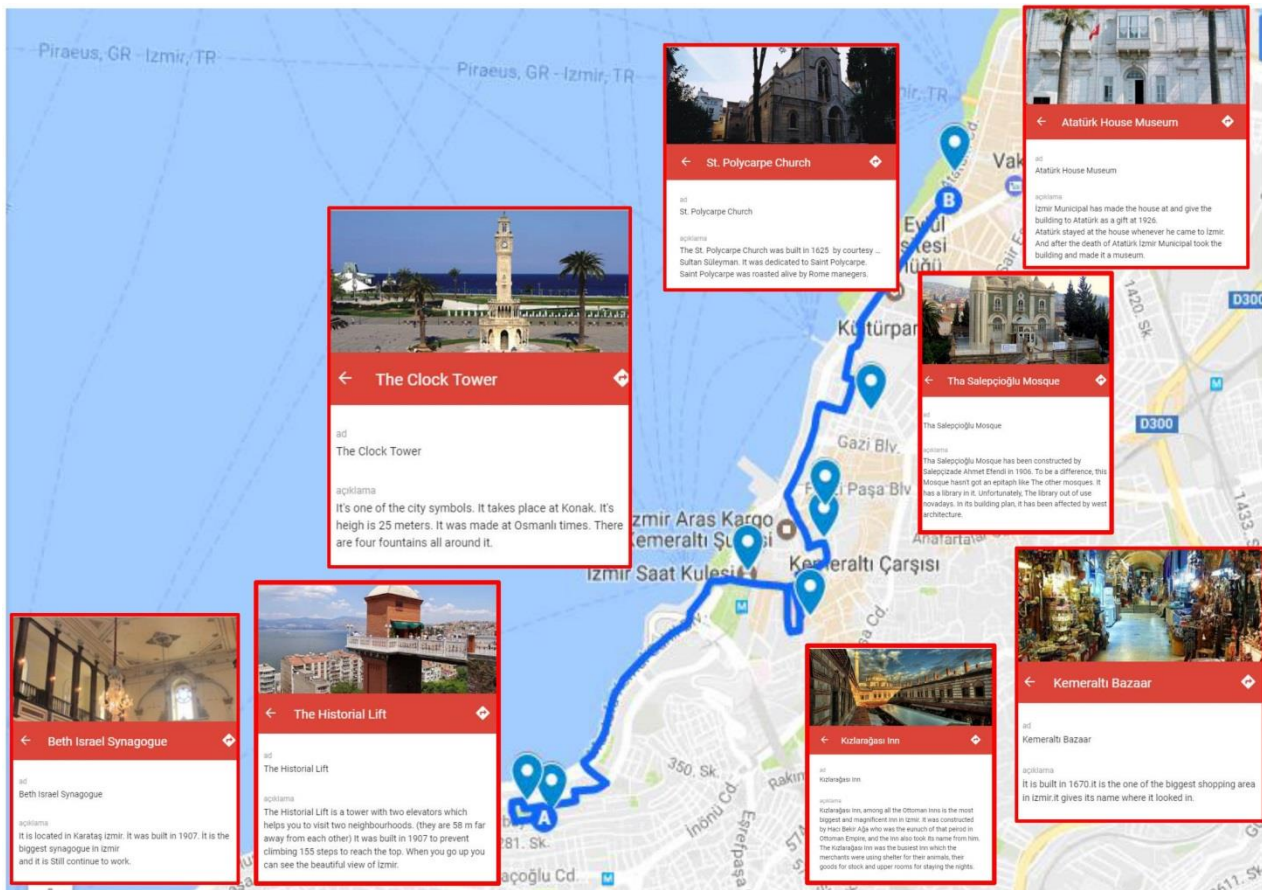

- Greece
- Turkey

AGE RANGE:

10 to 18 Years

LANGUAGES:

English, Greek, Turkish
