

# TED ALIĞA KOLEJİ

---

**ACTIVITY NAME:** GOGOOD MOVIE

**APPLICATION DATE:** 29th September 2019– 30th May 2020

## **ABOUT THE PROJECT:**

Project „GoGoodMovie” is headed for teachers and students who are interested in cinema and want to discuss about movies. In this project we will exchange ideas, videos and other products made by students and make skype calls between different European countries. The students will watch a variety of films and increase their knowledge, practice language and make new friends.

## **AIMS:**

- learning and Using English actively
- meeting interesting peopleand spending enjoyable time
- Improving students’ selfconfidence
- having students learn and question about different topics through films

## **WORKING PROCESS**

We will start by exchanging information about the students who are involved in this project. Then we will decide together what is the next step in our project. We will choose the first film together and watch it in the following week. Then, we will make a skype call and everyone will sharehis/her opinions about the film. Ways of communication are interactive chat, forum, conferences on twinspace, and additonaly private talkings with skype, facebook, whatsapp, emails etc.

## **EXPECTED RESULTS**

We will share our project products in a common TwinSpace.
