

TED ALIAGA KOLEJİ

ACTIVITY NAME: Friends Around the World

APPLICATION DATE: 14th June 2020– 28th May 2020

ABOUT THE PROJECT:

This “Penpal Project” will consist on establishing bounds and friendship contacts around the world.

This will be achieved through the eTwinning Platform.

Different topics and cultural aspect will be treated along this project as a possibility to widen our knowledge about other cultures around the world.

In this sense, English will be our main mean of communication.

AIMS:

- To achieve a wider perspective of the world we live in.
- To understand English language as a mean of communication.
- To learn from other cultures and parts of the world.
- To learn English.

WORKING PROCESS

My partner school and me have been exchanging emails in order to understand the project in the same way. Therefore, we are going to have a constant coordination in all activities and all of them will be organized by both of us.

November : Video conference – Sending emails.

EXPECTED RESULTS

At this moment, we will like to keep it as a school practice to improve our students knowledge and motivation towards English.
